

GENERATIONS CHRISTIAN EDUCATION

# EDUCATING THE NEXT GENERATIONS

FOR TODAY, TOMORROW  
AND ETERNITY

Imagine children of all backgrounds and ethnicities learning together in a nurturing place where they have the opportunity to grow in wisdom and stature, like Jesus.

At Generations Christian Education (Generations), our vision is just that. Across 3 schools on 4 campuses, we have been educating and growing Christian leaders that shine in every part of society since 1986.

A Member of Generations Christian Education

**ISLAND  
CHRISTIAN  
ACADEMY**

TODAY addressing the immediate need to relocate Island Christian Academy in August 2022, Generations is excited to launch its new campus as a Christian Community Learning Hub.

**To achieve this, we need to raise HK\$40M in 2021.**

**Generations' schools are unique:**

**We are inclusive** - children of all faiths and nationalities are welcomed and learn in a whole-child model of education, based on what the Bible says about how Jesus grew as a child.

**We offer value for money** - our current fees are in the lowest third of international schools in Hong Kong, which provides an attractive option for internationally-minded middle class families.

**We are committed to excellence** - our schools are accredited by leading international organisations; our students outperform their peers in international standardised tests and move on to schools of choice in Hong Kong and overseas.

*Show me your ways, Lord, teach me your paths. Guide me in your truth and teach me, for you are God my Savior, and my hope is in you all day long. - Psalm 25:4-5*

**At the new Learning Hub...**

**We will continue our core mission:** so that the children of Hong Kong will know and trust God and will grow into a global people of Christian faith, a people serving others.

**And will include the community:** sharing the school campus for community gathering and learning, church services, extra curricular activities and more.

"My four sons are the second generation of children in my family to attend Small World. They are now at IslandCA. We love Generations' nurturing and holistic approach to Christian education, the warm and connected school community, inclusive and internationally diverse student body, and commitment to showing God's love to children. Generations has been a great blessing to us and the city of Hong Kong."

- Alia Eyres

**In order to achieve our goal, we need to raise HK\$40M in 2021 to:**

- Fit out a site to create a dynamic 21st century learning environment
- Purchase furniture and fixtures that provide flexible, multipurpose spaces
- Invest in technology to enable effective blended learning, in and out of classrooms
- Maintain an operational model that keeps tuition fees low and allows us to hire passionate Christian teachers.

We are a not-for-profit educator that has operated in government-provided premises for 35 years. Now, without government spaces available for new schools, God is calling us to a new season of renting school space. This comes with a need for significantly increased financial resources.

**Generations has the vision, expertise and experience in growing Christian leaders who influence every part of society. We urgently need space to continue to do this.**

**As you join us in this mission, we will together be part of God's plans in Hong Kong.**

**We will raise up the next generations of global Christian leaders!**

So the next generation would know  
God, even the children yet to be born,  
and they in turn would tell their  
children. Then they would put their  
trust in God, and would not forget his  
deeds, but would keep his commands.  
Psalm 78:6-7

# TOGETHER, WE CAN BUILD FUTURE GENERATIONS. TODAY.
